INTRODUCTION:

Tourism plays an important role in the socio-economic development of any country. It is one of the major sources earning foreign exchange. Tourism promotion also generates employment in urban as well as rural areas that may arrest the large scale migration of rural mass to urban centers and in turn help avoid formation of more slums. Tourism statistics is generally classified as one of the vital topics of concern to the states because of its economic importance in terms of contributing to the improvement of the national economy as well as their social, cultural and educational impacts. The tourism sector in the Kingdom has witnessed a major development in recent years, which has helped to have an impact on the development of statistical data related to the tourism sector. The tourism policy of the Government of Tamil Nadu includes, among others, encouraging private sector investment. Availability of quality accommodation in the state is a prerequisite for tourism promotion. It is therefore proposed to encourage private entrepreneurs to put up new hotels both in private and government land. The government land will be made available to them at reasonable lease rent. This would give a fillip to the tourism development in the state.

MATERIALS AND METHODS:

Study Area – Kancheepuram:
Kancheepuram, popularly called as Kanchi and also known as the Golden City, is very close to Chennai and has a long history. It abounds in precious antiquities and is rich in its historic associations. Renowned as a cultural centre of the South, it is hailed as the Dakshina Kashi. Among the seven sacred places considered as the holy places of pilgrimage, Kancheepuram is dedicated both to Shiva and Vishnu. It was the foremost of the seven Kshetras (Nagareshu Kanchi). It is said that in the past there were in Kanchipuram 108 Shiva temples and 18 Vishnu temples; but now the most important shrines are only five. The temple of Kamakshi Amman is the most important shrine in this town, besides Varadarajaswamy Temple. Seer Sankaracharya of Kamakoti Peeth has his abode here. Other places around Kancheepuram include, Steriperumbudur, 29 km from Kancheepuram, the birth place of Saint Ramanujar, the father of Vaishnavite Philosophy and an important pilgrimage centre for the Vaishnavites, and which has the memorial for Sri Rajiv Gandhi, former Prime Minister of India; Tiruthani Temple, (42 km from Kancheepuram), one of the six abodes of Lord Subrahmanyam, situated on a hilltop, where Karthigai festival in December is celebrated with great pleasure.
